CIRCULAR

The Government of Maharashtra has recently launched a digital learning initiative titled MahaDnyandeeep a state-level online education platform designed to deliver high-quality Massive Open Online Courses (MOOCs) for students and faculty in higher education. The platform provides accessible, flexible, and credit-ready courses to strengthen student learning and skill development.

As part of this initiative, the **first online course developed and offered on MahaDnyanDeep is on Indian Knowledge Systems (IKS)**. This course introduces students to India's rich legacy of knowledge traditions in areas such as philosophy, sciences, literature, health systems, mathematics, astronomy, and arts.

In view of the above, all **constituent colleges and schools of HSNC University** are hereby directed to:

1. **Inform and encourage students** across UG and PG programmes to register for the course on MahaDnyandeeep
2. **Facilitate awareness** in classrooms and through institutional notice boards, websites, and social media handles regarding the Mahadnyandeeep courses and its indicatives
3. Nominate faculty members as **course coordinators** to guide and motivate students in accessing and completing MahaDnyandeeep courses.

All heads of institutions ensure that a **large number of students participate in the courses whenever launched by MahaDnyandeeep**, thereby supporting the State Government's effort to widen the access to quality education.

Progress reports on student registrations and completions shall be reviewed periodically by the University's IQAC.
